

The Word Of God

1. Read Genesis 1
How did God create all the things in the heaven and the earth? How do we know?
Read Hebrews 1:3
What was the quality of the creation?
Is this because of the nature of God through His word that was in the creation?
How did God bless those creatures that He had created and caused them to be fruitful and multiply? How did God communicate with man?
2. Read Genesis 2:19-20
What power did God give Adam? How did he use that power?
Is this not the same principle as God doing things by His word?
3. Read Genesis 3:1-5 What did the devil bring into doubt for Adam and Eve?
Is this the root of sin that man no longer believes the word of God?
Read verses 13-24 - Had the word of God lost its power, or did what God commanded here in spite of sin and all the devils work, actually take place?
4. Read Genesis 6:5-22
When God wanted to communicate to Noah how did He do it? What did Noah do?
Read Genesis 15:1-6 Do you find the same principle here?
What did Abraham do? What was God's response? Is this the opposite to the way sin came in? Do you think God is thrilled when we believe His word?
5. Read John 1:1-18 Who was the Word? What was made by this Word?
Read Hebrews 1:3 - the word of Jesus still does what happened to the Word(vs.14) Did Jesus being the word made flesh have all the attributes of God in Him? - read Colossians 2:9 for the answer. If you read Luke 1:31-38 you will see how, because of Mary's faith, the word was enabled to be made flesh in her.
6. Read Revelation 19:11-16. Who is this coming in judgement?
7. Read John 6:60-68
What are the words that Jesus speaks unto us? Why are His words spirit?
Are all the words of God spirit and life? Has anyone else words like Jesus?
8. Read John 5:24
What happens to those who believe Jesus' word? Compare this with 1 Peter 1:18-25
How are we born again? What is the seed and what is its nature?
9. Read Mark 4:1-20 for the answer. Where must the word go to bring forth fruit in lives?
What sort of things can stop the word growing properly?
10. Read 2 Corinthians 3:1-6 Where must the word be written?
Who writes it there? What were the tables of stone? (Read Exodus 31:18)
What does the ministry of the word by the spirit produce in our lives? (vs.6)
11. Read 1 Peter 4:11
How should preachers speak the word? (oracle means mouthpiece)
See this in the ministry of Paul - 1 Corinthians 2:1-5 Why? (vs.5)
12. Read Romans 10:8-17 to see why Paul went. What word did he preach? (vs.8)
Why? Must we always listen to and believe the Word of God?
